

Follett Enlight delivers a consistent reading environment whether you are reading from your desktop, tablet, or smartphone.

To choose Follett Enlight as your preferred eReader, click your username in the top-right corner of the screen, and select **Preferences** from the drop-down menu. Then, choose **Follett Enlight (Cloud)** as your preferred eReader.

	<p>Click the Follett Shelf link in the top-left corner to return to the Follett Shelf eBook library.</p>
	<p>The Information icon in Enlight provides data about the eBook currently in use, including:</p> <ul style="list-style-type: none"> • Option to check out/due date • Table of contents (thumbnail page images available) • Publisher permissions: printing, copying, textflow, and highlighting availability • Bookmarks
	<p>The Search icon lets you locate a particular passage or word in the eBook or <i>My Notebook</i>.</p>
	<p>The Notebook icon takes you to <i>My Notebook</i>, outside of the Enlight reader. Here you can access all notes and highlights from all Follett eBooks you have read*.</p>
	<p>The Follett Enlight Bookbag contains all of the eBooks you have checked out from your Follett Shelf eBook library.</p>
	<p>The Account icon gives you the option to log out of Follett Enlight or access the <i>Help</i> page.</p>

*Features currently not available in the Follett Enlight app.

The Page Location Slider lets you move forward or backward in the eBook. Click and drag the circle to navigate to a particular place in the eBook.

can be good for you!

Minerals have a variety of jobs. Calcium helps build strong bones and teeth. Milk and cheese are rich in calcium. Potassium can fight cramps during exercise. It is found in bananas and leafy greens. Iron is good for the blood. It appears in meat, leafy greens, beans, and many breakfast cereals. All of these minerals help runners perform better. Now, look at your menu again. Which choices do you think have the most minerals?

Enter a number in the page number field to go directly to that page.*

The Display Options feature in the bottom-left corner lets you do the following:

- **View:** Activate the 1 Page, 2 Page, or Text Only view. In Text Only view, text will resize to fit the given screen area. Note that not all eBooks support the Text Only view.
- **Magnification/Font Size:** In the 1 or 2 Page views, zoom in or out to increase or decrease the size of the page. In Text Only view, decrease or increase the size of the font.
- **Screen Color:** Switch between a white screen for daytime reading and sepia or black for nighttime reading.

Turn the pages with the forward and back arrows.

Note: If you are reading with the toolbars hidden, forward and back arrows are available on the left and right sides of the screen.

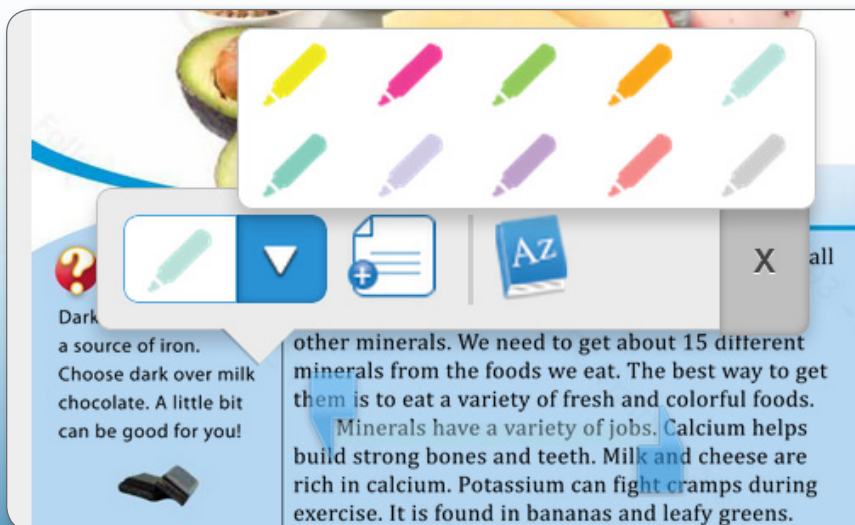

The Note icon enables you to add a note in Follett Enlight.

Note: You can add hyperlinks to a note to connect to a website from a specific place in an eBook.

**Features currently not available in the Follett Enlight app.*

Note: You can show or hide the toolbars by clicking the center of the page.

Place your cursor on the first word you want to select, then click and hold to activate the selection tool. Drag your cursor over the text you want to select. Once you have made your selection, additional options become available.

- Select a color to highlight a section.
- Select a note to add a note to a specific section.
- Click the dictionary to look up a word or phrase.
- Click the X to remove the highlighted section.

Step 3: Reading a Checked Out eBook

- a. Tap the book cover to open and read the book.
- b. To return to **My Checkouts**, tap the **Bookbag** menu option. If you don't see your latest checkouts, tap **Synchronize** from the menu.

Note: To access a checked out eBook and corresponding notes from another device, you need to move the book back online. From the **My Checkouts** screen, tap **Move Online**. You must be online to synchronize your checkouts and download eBooks.

Note: This is a new app and not an update to previous Follett Reader apps. If you are currently using the Follett Digital Reader app, please uninstall it and download the new Follett Enlight app.
