### **Lunch Prices Adjusted**

Lunch prices for the 2012-2013 school year have been aligned for all sites. It is our hope that this adjustment will allow us to not raise prices in the near future, despite expected increases in meal costs due to inflation. In order to meet minimum meal charge requirements, and anticipated required increases established by the Nation School Lunch Program, Elementary School prices have been aligned with the Middle School and High School.

All student lunches will now pay \$1.35 and reduced prices will stay at .40 cents. As in the past, breakfast remains .85 cent for all sites.

The largest adjustment was for our Faculty; lunch was increased from \$2.75 to \$3.10 and breakfast was increased from \$1.30 to \$1.55 to meet the minimum requirement to charge for adults.

As always it is our goal to provide the best lunch possible at a minimal cost to our parents. For an application to see if you qualify for reduced-prices or free lunch/breakfast, please contact Child Nutrition at 918-678-2222 ext. 232.

Thank You,

Troy Gray, Superintendent
