SPRING 2015

Wyandotte Public Schools

Record Number of Students Join FCCLA

The Family, Careers and Community Leaders of America student organization at Wyandotte High School continues to grow!

42 students joined the club this past Fall. That is 6 more students than last year.

Five students in the 8th grade joined for the first time.

18 out of the 42 members are male—so we have a good mix of students.

39 students attended the FCCLA District Leadership conference held in Grove in October.

Students were able to network with other FCCLA members from our District which includes schools in Miami, Grove, Quapaw, Commerce, Fairland, Afton, Vinita, Bluejacket, Welch, Ketchum, Colcord and Kansas.

The District Leadership conference is a large event that encourages students to work together to compete in games, and leadership activities.

FCCLA Cluster Meeting in Little Rock, Arkansas Trip

Nine students traveled with the Bluejacket FCCLA to Little Rock Arkansas to attend the FCCLA National Cluster Meeting. More than 3,000 FCCLA members from the SE region of the United States were in attendance for 3 days of leadership and fun!

Students toured Heifer Village World Headquarters, visited the Arkansas History Museum living history exhibition, rode the Trolley and met with officials from the Little Rock

Convention and Visitors Bureau to learn about economic development in Little Rock.

It was a great opportunity for the students.
