Wyandotte Public Schools would like to ask your permission to use your child’s likeness on digital format. This would include but not be limited to images on the school website or videos students might produce. We cannot display any likeness of your child without express consent. **Our policy is that we use the student’s FIRST and LAST names.** We use photos from the classroom, which help to add a personal touch to things such as our website. We highly encourage usage of your child’s name and likeness. We understand if you have legal or personal reasons, and do not wish for your child’s likeness to be used.

We encourage you to discuss this with your child, as we feel this will improve his/her school experience. If you wish to discuss this with us before making a decision, or you have questions about how your child’s likeness might be used, we would be more than happy to talk to you about it. You can contact us at [croyster@wyandotte.k12.ok.us](mailto:croyster@wyandotte.k12.ok.us), we would be happy to hear from you.

Please use the form below to make your choice and return back to the school office as soon as possible. Thank you and we look forward to a great year.
