**CLASS FIELD TRIP “BLANKET” PERMISSION FORM**

Each school year there are a variety of field trips sponsored by the school and considered educational and/or entertaining for the students. Trips may be limited during certain years due to availability of funds. There have been times when students forget their permission form the day of the trip and this can create a real problem if the parents are unreachable or live at a distance and the trip departure time is near.

Please sign the form below and return to the school. We will keep this form in your child’s folder in the office. This form grants permission for any class/school field trip undertaken during the 2011-2012 school year. Know that we will always inform you before a trip is taken of the date and any other needs your child may have such as money, etc.

Thank you,  
Wyandotte Elementary
